WORK EXPERIENCE

2021-2022

Student Lead The Google Developer Student Clubs

Conducted Career growth and development events to empower campus students to set a trajectory for their journey as upcoming software engineers.
#Share the Knowledge

2020-2021

Web Developer Dobro Management

Built the organisation's Web application which includes a Client Management system that also works as a digital marketing strategy

2022-current

Blockchain Developer Intern nGeni.io

When I did an internship, I learned how the knowledge I got on campus was used in the everyday world of work. And here I get new knowledge that is not found on campus
